

A free festival to have fun learning science!

www.stpetescifest.org

Exhibitor Essentials

Registration deadline is typically in early September.

Please sign up as soon as possible to guarantee your spot and your activity.

Exhibitor Fees

\$50 = Saturday exhibit (commercial, for-profit, government agencies)

\$30 = Saturday exhibit (non-profit and/or educational organizations)

\$ 0 = Friday + Saturday exhibit. Exhibitor fees are waived for sponsor organizations and/or exhibitors who contribute an exhibit at the Friday Sneak Peek School Day in addition to the Saturday festival.

Exhibitor fees include a standard exhibit space at the Saturday public festival. Access to electricity and/or water is provided upon request. Please provide details of all logistical needs in the exhibitor registration form.

Exhibitor Sales are Prohibited

The primary mission of the St. Petersburg Science Festival is to educate and entertain our festival visitors, and we want the focus of the exhibits to be interactive activities. As a result, festival policy prohibits all exhibitor/vendor sales at our event.

Exhibit Spaces

The standard exhibit space includes an OUTDOOR 10 x 10 space underneath a tent, an 8-foot table, and two chairs. If you need access to electricity and/or water, please provide that information in the exhibitor registration form. The St. Petersburg Science Festival is primarily an outdoor festival, and we want our exhibitors to have the best exposure as possible. If you have a strong need for indoor space, please email info@stpetescifest.org.

Social Media: Engage your audience!

Please tag us in your posts pertaining to hands-on activities, share that you will be attending the festival, and share your photos and videos from the event. Please use our hashtag #ScienceInTheSun and tag us in any social media platforms you use: @StPeteSciFest

Supplies & Staffing

The St. Petersburg Science Festival serves between 15,000 – 25,000 visitors each year. Our most popular exhibits see upwards of 1,000 – 2,000 families. Please plan accordingly for exhibit supplies and staff.

Parking & Logistics

Parking passes and other logistical information will be distributed via email two weeks prior to the festival. Exhibit sites cannot be guaranteed to be the same as in previous years.
